

# Rippleton's Valentine's "Let's Get Moving" Student Fundraiser

## OUR GOAL - \$5,000.00

Over the course of the school year Rippleton Students have been taking part in X Movement's various programs. It began with Aussie X at the beginning of the school year and then we had their Fusion program come in the late fall.

Our final experience with X Movement will be their Dance Program, it will run from February 11-13<sup>th</sup>. This curriculum-based dance program introduces a variety of dance styles from around the world. Through a high-energy dance experience, the program is designed to teach the children about diversity and how they can take action to make the world a more inclusive and caring place.

This year let's pledge that each of us will make a positive difference, to include and care for one another.

The "Let's Get Moving" Day will also include a Family Dance Event in the evening with a Valentine's Bake Sale, more information regarding this can be found on the reverse side of this paper.

Proceeds from our fundraising efforts will support programming in the **ARTS (Music, Dance, Drama, and Visual Arts)**.

We hope that you will support this event with your customary generosity and enthusiasm. Any donation is greatly appreciated.
